Subject: Affiliation document – Building fitness Certificate Reg.

This is to inform you that Sacred Heart English Medium School has applied for school building fitness on 27-03-2021 in order to complete the extension of affiliation process at the earliest. But due to high Covid positivity rate and continuous triple lockdown at Malappuram District, where our school is located we could not get the fitness certificate. Most of the government offices were completely closed or partially closed for the last two months.

So in order to proceed with the application we upload this letter and, as we receive the original document we shall forward it and upload it to the site

Sir we kindly request you to consider our situation which is created due to this pandemic

Thanking you in anticipation
